Our File No. 250219.0002

Dear Sir:

On behalf of ENSIGHT ENERGY MANAGEMENT, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Cotton Valley D Zone, Reservoir A, in the South Drew Field, Ouachita Parish, Louisiana:

1. To create one (1) additional drilling and production unit (to be designated as CV D RA SUEE) for the Cotton Valley D Zone, Reservoir A, in the South Drew Field, Ouachita Parish, Louisiana, as shown on the plat attached hereto.
2. To force pool and unitize all separately owned tracts, mineral leases, and other property interests within said unit, with allocation of production from the unit well to the tracts within the unit therefor to be on the basis of surface acreage.
3. To designate EnSight Energy Management, LLC as the unit operator and to designate a unit well for the proposed CV D RA SUEE to be created hereby, at a bottom hole location no closer than 500 feet from the West line of said unit, as shown on the plat attached hereto, in exception to the well spacing provisions of Order No. 904-A, effective March 22, 1973.
4. Except to the extent inconsistent herewith, to extend the provisions of Office of Conservation Order No. 904-A, effective March 22, 1973, to the proposed CV D RA SUEE.

5. To consider such other matters as may be pertinent.

The Cotton Valley D Zone, Reservoir A, in the South Drew Field, Ouachita Parish, Louisiana, was defined in Office of Conservation Order No. 904-A, effective March 22, 1973.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. Clarence Chandler, Monroe District Manager of the Office of Conservation and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.
